

SAN SALVADOR HOME & WORKSHOP

THE SAN SALVADOR SNAPSHOT | JULY 2021

HOUSE OF HEROES

THANK YOU

San Salvador Home & Workshop would not be able to function as it does without our incredible members of staff working tirelessly day in and day out. Whether it's our cleaning ladies, nurses, carers or social workers, our staff care for our residents with professionalism and compassion, enabling a safe and loving environment for all our residents.

WEAVING MAGIC

CRAFTS FOR SALE

Not all our supporters know that it's possible to purchase knitted and woven crafts from San Salvador at any time. On any given day, our weaving room is a hive of activity. In this photo, two of our talented ladies are proudly holding their recently knitted monkeys. Let us know if you would like to purchase anything from us, or if there is a specific item you would like our ladies to make. Erna and her team will do all they can to accommodate your request. And please spread the word to friends, family, or colleagues. It's not too early to start thinking about Christmas presents!

947 RIDE JOBURG

JOIN OUR TEAM

We're looking for more cyclists to join us this year to help us raise funds for San Salvador Home & Workshop. Our fundraising goal for this year is to be able to raise enough to sponsor one of our 'orphans'. To register to ride for San Salvador:

1. Email Ann Pearton at cycling@sansalvadorhome.org or message 083 660 5608. You will be sent a code and entry instructions. If you have already entered the 947 Ride Joburg, you will be added to the San Salvador team.
2. Register as an athlete on Helping Heroes (<https://helpingheroes.co.za>) to raise funds for the home.

MESSAGE FROM RONELLE

FROM SURVIVING TO THRIVING

After facing numerous challenges caused by the Covid pandemic, San Salvador Home is surviving, and will hopefully soon be thriving. As is the case with so many other NPOs, the economic downturn affected our fundraising efforts and financially we too have found it challenging to meet all our operational expenses.

WHAT WE ARE GRATEFUL FOR THOUGH, IS THE GENEROSITY AND KINDNESS SHOWN BY THE PUBLIC IN ASSISTING US WITH FOOD DONATIONS AND DONATIONS IN KIND.

We are even more thankful for our residents and staff who remained Covid free and upbeat throughout the pandemic. Their selfless dedication as essential workers is admirable!
